

Step into the warm embrace of a truly South African bushveld experience, with a variety of accommodation options to suit your family's preferences, at Mabalingwe Nature Reserve. Experience homely comforts at Ingwe, Kubu, Phiri or Kwalata Camp; or venture into a rustic camping scene at Kalahari, Pitsi or the 4X4 camping sites.

Phiri Camp

Phiri camp has a strikingly relaxing atmosphere and breath-taking views. Visitors can expect to spot animals grazing near the chalets and can enjoy the camp's unheated pool, baby pool and lapa

The 6 sleeper unit: Two ground floor rooms; one with a double bed and one with two single beds, a loft area with two single beds, two bathrooms (one en suite to the main bedroom), fully equipped kitchen and outside braai facilities.

Mabalingwe Nature Reserve is about experiencing the untouched wonders of the South African bush. It's about sharing special moments with loved ones around a crackling fire, splashing about in cool waters under the blinding sun, spotting wildlife dotted between the bushveld greenery and dry wheaten grass and making memories to cherish together long after the holiday has ended.

GAME-VIEWING

DRIVES

The Mabalingwe biome, made up of 8 500 hectares of bushveld, provides wonderful game-viewing opportunities year-round. Experience a calm herd of elephants making their way through the thicket, snapping twigs and rumbling the earth below their heavy soles. Spot the wildebeest and plains zebra huddled together, grazing peacefully, on the open savannah and finish the day watching the sunset on the horizon, as the air cools and nocturnal creatures creep out from hiding.

DAY drives

You can't get much closer to unspoilt nature and wildlife than an open game drive vehicle.

Day Drives take guests through the Reserve's stunning landscapes – grasslands, rocky ravines and majestic mountain tops – a truly unforgettable experience.

Day Drives depart from the boarding stairs at the Le Fera Plaaswinke/Farmshop. Guest's must meet at the steps 15 minutes prior to departure. Bookings are essential. Please enquire/book with our friendly Reception staff at the VRS Main Reception, or phone 014 001 7011.

Self-drive game viewing is also permitted on the Reserve.

SUMMER

(September – April)

06:30 – 08:30

10:00 – 12:00

WINTER

(May – August)

10:00 – 12:00

BIRD-WATCHING drives

Limpopo generally provides even the most discerning birder with exceptional opportunities and over 280 bird species have been spotted at Mabalalingwe alone.

Bird Watching Drives depart from the boarding stairs at the Le Fera Plaaswinke/Farmshop. Guest's must meet at the steps 15 minutes prior to departure. Bookings are essential. Please enquire at Reception.

Bird Watching Drives take place on Wednesdays and Sundays.

SUMMER

(September – April)

06:30 – 08:30

WINTER

(May – August)

07:00 – 09:00

ECO-TAINMENT

Learning all about the Mabalalingwe Nature Reserve ecosystem is great fun for the whole family to enjoy.

Led by our team of Rangers, the Eco-Tainment programme and activities are sure to keep the kids excited and interested in the great outdoors. Children are divided into age-groups and enjoy age-appropriate teachings through fun activities such as: tree identification, spoor identification, water purification and so much more!

Please take note that all Clubs and activities are subject to availability and occupancy.

4x4 TRAIL

LIVE-LONG-TRAIL

A one hour guided trail walk where the guides focus on the medicinal and cultural uses of the tree species in the Waterberg Region. A truly awe-inspiring trail! Guests will depart from Reception and need to be at Reception 15 minutes prior to departure. **Tuesdays, Thursdays and Saturdays** at 08:00.

ECO TRAIL

A nature trail through Mabalalingwe Nature Reserve, pausing to appreciate the plant life and learning interesting facts from the guides. This trail is approximately 1.5 hours of nature exploration. Guests will depart from Reception and need to be at Reception 15 minutes prior to departure. **Tuesdays and Thursdays**.

ECO-CUB CLUB

Catering for the young ones, the little guests will be delighted with fun activities like: learning to make their own 'stokbrood' (seriously yum!), purifying water, spoor identification and many more. This activity takes place on a **Sunday** from 10:00 – 12:00 for children aged 6 – 12 years.

ECO-TEEN CLUB

Teens get out of the tech-zone and into the great outdoors by learning all about the various trees in the area, tracking animal spoor and many more engaging activities. This activity takes place on a **Saturday** afternoon from 14:00 – 16:00 for teenagers aged 13 – 17 years.
